SR. ELDER MASTER FESTIVAL

SONG EMPEROR TAI ZU'S

2 Sectional Long Sweeper

Festival to Be Held @ The Chinese Shao-Lin Center of Salt Lake City

Attire: Complete uniform with all patches!

The Song Emperor Tai Zu created/invented the unique 2-Sectional Long Sweeper at the beginning of the Song Dynasty 960AD

How it came about is that the Song Emperor specialized in the use of the long rod, and when his favorite rod broke in battle, he then repaired it with a chain, and found that it worked well against an opponent with a shield.

The "Northern Long Sweeper" is regarded as a gentleman's weapon – more to punish than to kill. Seldom found in Southern China.

(Emperor Tai Zu is also credited with developing the 3 Sectional Staff.)
